Production: LAPIN-TURE

## Animals 2733

### **INSTANT SUMMARY:**

**Summary**:

### **Overview:**

Embark on a new quest for real-time strategic domination in a universe where the heroes of each civilization advance in turn-based combat.

### Look & Feel:

With realistic photo style.

In a fantastic medieval atmosphere.

# Plot and Settings:

In the known universe of Ancient Confrontations, swarms of monsters and animals assault relentlessly and wreak havoc across the lands of this strange and mystical world. The fate of the world is at stake and Heroes from different legendary factions must champion their causes and resources to dominate the world. Each Hero has a forum that evolves over time and generates an area of control.

#### **User interface**

#### Menu interface:

Clickable menus, title with different scenarios and game campaign load part options exit.

### Strategic view interface:

A mini map at the bottom left.

Control of the different actions at the bottom right the different portraits.

The hero and the workers exclamation mark when building.

Finished troop display available if all workers are busy display all workers are busy.

### Combat interface:

The time bar.

Shield to take less damage.

Hourglass to play at the end of the turn.

Double sword for auto combat.

Boot flight from the fight.

Delivers the magic magic of the hero .

Single shot sword of the hero.

Action symbol faction spell casting.

### **Development**

### Camera:

The game is in top down view.

### **Character:**

Workers can build and move only in the control area.

The heroes can move in all the map ,take control of the neutral building, recruit troops in the building and launch the fight.

All the characters in the game are animals or mythical monsters (gorgon naga dragon jellyfish etc.) and of course they speak in our language. When any hero walks past a recruiting building for their faction, they collect all available troops.

Different civilizations (Egypt, China, Middle East, Maya, ...) + evolution in the time (from the Middle Ages to our time).

Each troop bonus is obtained with the troop upgrade.
